A multi-vehicle collision in Halton Hills last Thursday (June 30) left one person dead and two others seriously injured.

The crash — which involved three vehicles, including a stone hauler — occurred just before 12:30 p.m. at the intersection of Steeles Avenue and Ninth Line South, according to police.

Const. Steve Elms said one person has "tragically been pronounced deceased" and two others were transported to hospital with serious injuries.

Next of kin has been notified.

Elms later reported that the deceased is a 45-year-old woman from Oakville, while a 61-year-old Mississauga woman and 52-year-old man from Oakville were injured in the crash.

The accident remains under investigation.

Anyone with information can call police at 905-825-4747 or Crime Stoppers at 1-800-222-8477.
