

Halton Highlights July 2022

Enjoy a safe and healthy summer in Halton!

As you plan for activities outdoors with your friends and family this summer, it's important to keep health and safety top of mind. Here are some helpful tips and reminders:

- Sign up for heat and air quality alerts** so you know when to take precautions and check in on loved ones who are at higher risk.
- Protect against mosquitos and ticks.**
- Check which Halton beaches are safe for swimming.**
- Be cautious around wildlife to protect yourself from rabies.**

To learn more and access Regional resources and tips, visit halton.ca. By practicing habits that help keep your household and community safe, we ensure Halton remains a great place to live, work, raise a family and retire. Enjoy a safe and healthy summer!

Regional programs and services are only a click, tap or call away!

Building and fostering meaningful relationships with the Mississaugas of the Credit First Nation

As part of our efforts towards Reconciliation in Halton, on June 20, Ogimaa R. Stacey Laforme from the Mississaugas of the Credit First Nation (MCFN) and I signed

a Relationship Agreement, formalizing the ongoing work to build a constructive, collaborative and mutually respectful relationship between Halton Region and the MCFN. The Relationship Agreement will help Halton Region and the MCFN achieve the shared objectives of the Truth and Reconciliation Commission (TRC) final report and Calls to Action, and the United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP).

To learn more about the Relationship Agreement and Halton's ongoing work to build meaningful relationships with Indigenous Peoples and Communities, please visit halton.ca.

Meetings at Halton Region
