Perch

(Latin: Perca fluviatillis)

What did a shark eat with its peanut butter sandwich?

A jellyfish.

Why did the fish blush?

Because it saw the ocean's bottom.

What do you call a fish with lots of money?
A goldfish.

What did the shark say after eating a clownfish?

That tasted a little bit funny!

Where does a fish keep its money?
A riverbank.

What did one fish say to the other?

Keep your mouth shut and you won't get caught.

What kind of fish only comes out at night?

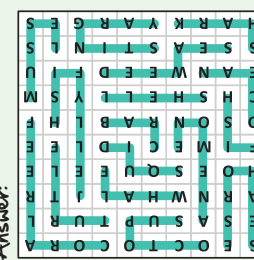

A starfish.

Why are fish so easy to weigh?

Because they have their own scales.

Find all the words from the word list (ignore spaces and dashes, if any):
