

Above and Beyond 2021/2022 Annual Report

We are happy to share our 2021/2022 Annual Report. This year's report highlights the many ways in which our staff, physicians and volunteers have gone above and beyond to support our patients, families and each other.

Over the past year we successfully launched the Seamless Care Optimizing the Patient Experience (SCOPE) Program in our communities; transitioned to our new hospital information system across our organization; and, introduced an enhanced version of our very successful COVID Care at Home Program.

We are proud to have accomplished all of this and more, while providing exemplary patient care during a pandemic.

Are You Interested in Becoming a Patient & Family Advisor?

We are currently accepting applications for Patient & Family Advisors

A Patient & Family Advisor is someone who has had a recent experience (within 5 years) of being a patient or family member of a patient at any of our Halton Healthcare hospitals.

Patient & Family Advisors collaborate with our healthcare teams to provide input to help shape the patient experience at Halton Healthcare.

If you have a passion for enhancing the healthcare experience of patients, families and caregivers, we'd like to hear from you. Patient & Family Advisors will participate in ways that best match their interest, experience and availability.

Apply to become a Patient & Family Advisor at Halton Healthcare.

Visit our website at www.haltonhealthcare.com

Masks must be worn in our hospitals.

Thank you for your understanding.
