Molasses Cookies

These are a great go-to cookie. So easy to throw together and so delicious - an easy crowd-pleaser!

INGREDIENTS

- 1/2 cup butter
- 1/2 cup sugar
- 1 egg, unbeaten
- 1/2 cup molasses
- 1 cup quick/rolled oats
- 1 tsp baking soda
- 1 1/2 cups flour
- 1/2 tsp each ginger + nutmeg

METHOD

Mix butter and sugar together with a wooden spoon until a bit fluffy, then add egg and molasses, then oats, then soda, flour, and spices to make a firm mixture, easy to spoon and drop. Bake 'em at 325F for about 10 minutes for a soft chewy centre, 12 minutes or a little longer for a dunker.
