WHY ARE YOU RUNNING?: I

MUNICIPAL ELECTION

love the challenge of political life and connecting with residents. During my first term I was able to watch, learn, listen and bring a fresh perspective to council. It is a natural progression to represent our concerns at regional council.

WHAT ARE THE TOP THREE ISSUES FACING THE TOWN/WARD?: 1. Accessibility. I believe in housing and programs. An all-inclusive community goes beyond supporting those with limited abilities and is a place where everyone belongs. 2. Growth is mandated by the provincial government and council's decisions will affect our community for the next 20 years. At Halton Region, we need to be a strong unified team and voice. 3. I believe in responsible growth and intensification that

aligns with the services to support the growth.

IF ELECTED, WHAT DO YOU PLAN TO ACCOMPLISH IN YOUR FIRST 100 DAYS?: I have demonstrated talents for team building, mentoring and coaching. I will help new councillors adapt to and learn their new roles. It's important we work together as a cohesive team as soon as possible.

HOW WILL YOU EMBRACE AND CHAMPION DIVERSITY?: I believe in an all-inclusive community, a place where everyone belongs. I will

champion causes and organizations that directly support and keep services in our community.

OCCUPATION: Prior to council, municipal recreation supervisor, City of North York

PREVIOUS POLITICAL EXPERIENCE: 25 years as municipal councillor

COMMUNITY INVOLVEMENT/VOLUNTEER ACTIVITY: Co-chair Halton Hills Climate Action; member of Stop Sprawl Halton; past chair Friends of the Old Seed House Garden; building committee for The Bennett Gallery; past chair Bennett Healthcare Centre; past chair Cote Terrace Seniors Apartments.

WHY ARE YOU RUNNING?: I want to protect small town living at its best by accommodating growth that adds vitality to our town without resorting to sprawl. I want to use my experience at the region to expedite servicing in the 401 corridor to attract investment. I want to advocate for action on climate change and continue to advocate for safer streets for pedestrians and cyclists.

WHAT ARE THE TOP THREE ISSUES FACING THE TOWN/WARD?: 1. Fiscal restraint will be needed in the short

term due to the delay in starting Vision Georgetown. 2. Developing a strategy to bring more affordable housing on stream. 3. Supporting business in downtown Georgetown during major construction projects.

IF ELECTED, WHAT DO YOU PLAN TO ACCOMPLISH IN YOUR FIRST 100 DAYS?: Begin a new strategic planning process that includes input from the public. Confirm water and sewer servicing expansion in our 401-employment area to allow private projects to proceed. Plan for a celebration of the completion of the Hungry Hollow Trail Network.

HOW WILL YOU EMBRACE AND CHAMPION DIVERSITY?: It is incumbent on the entire corporation to reconsider how we portray our town in our advertising and promotional materials. Our demographic has evolved, and we must be a welcoming community for all of our residents. People need to see themselves in our brochures and advertising.
