Give the gift of Downtown Georgetown

Whether you are on the hunt for the perfect gift, deciding where to go for a special meal, planning a festive outing or getting ready for a seasonal celebration, there's a single destination where it can all happen.

Downtown Georgetown sets the scene with holiday lighting, beautifully decorated storefront windows and streets lined with businesses offering the products and services on everyone's list this season.

Shoppers can stay close to home and feel good about buying gifts and holiday essentials locally. Downtown hair and beauty salons provide "feel good" services for some self-care during this hectic season or to prep for a holiday celebration.

Meet up with family and friends at a downtown dining establishment. There are so many options for all occasions from a quick lunch or family meal to cocktails, coffee or an intimate dinner.

The Georgetown Holiday Market will provide even more selection for downtown shoppers on Saturday, Dec.

3 and 10 from 11 a.m. to 3 p.m. Featuring handmade crafts, locally grown produce and freshly made foods, the market is a great place to experience the season. This festive family-friendly event includes some exciting entertainment and activities for all ages. It's also an opportunity to support local BIA businesses that can help you check off items on your gift list or inspire some creative giving.

Don't forget to check in on your health and wellness this season and plan for a healthy start to the new year. Look to Downtown Georgetown for a variety of health-related retail stores and services.

When Downtown Georgetown is your destination you'll be treated to free on-street parking and plenty of parking at municipal lots located throughout the core. Downtown Georgetown's website features a map that highlights the "green P" parking lots.
