## ... Lend Me Your Ears

### FOOD ALLERGIES MAY CAUSE EAR INFECTIONS

If your child suffers from frequent ear infections, and you can't pin point the cause, it may be something he/her ate. It's recently been found that food allergies may trigger ear infections, which left untreated can cause hearing loss.

The allergies create mucous congestion in the nose, which then flows into the tube connecting the nose to the ears. Eventually the tube gets blocked and infection causing bacteria grow.

To determine if food allergies are causing your child's ear infection have him/her tested. Once the troublesome food is discovered your physician can suggest alternatives. And take heart, kids often outgrow food allergies – and their tendency towards ear infections.

# HOLIDAY BUZZ UNDERWAY AT HILLSVIEW ACTON

**JULIE CONROY**  
Column

There are several activities that have returned to Hillsview Acton, including shuffleboard, which is now on Wednesdays at 4 p.m., and canasta on Thursdays at 1 p.m.

There are also carpet bowling and exercise programs, as well as cribbage, euchre and many more activities.

The latest newsletter has a change in the format, and it covers November, December and January. You can pick up a copy at both the Acton and Georgetown Centres, as well as the library.

On Tuesday, Nov. 29 there will be a presentation on home care and service options to help people stay in their homes longer. It starts at 1 p.m. and there

will be light refreshments.

Every Friday we serve a delicious lunch followed by bingo. Once a month there is the Me's breakfast. Following breakfast, they visit a local place of interest.

And speaking of lunch, on Saturday Nov. 26, from 10 a.m. to 2 p.m., we will be holding our Christmas bazaar with a seated high tea from 11 a.m. to 1:30 p.m. After three years it is great to

be able to return to our usual format of a penny table, Christmas raffle, gently used Christmas decor, bake table, books and more.

A couple of other seasonal events returning this year are the popular Secret Santa Gift Exchange with munchies and the Christmas dinner and dance held at the Legion.

There are other activities and programs here for everyone, as well as the opportunity to volunteer in a variety of capacities.
