The rolling stream of life rolls on. But still the vacant chair recalls the love, the voice, the smile of the one who once sat there.

A wonderful person, friend and aide, one who was better God never made; a wonderful worker, so loyal and true, one in a million – that person was you. Just in your judgment, always right; honest and liberal, ever upright; loved by your friends and all whom you knew. Our wonderful friend – that person was you.

**IN MEMORIAM**

**Scott David Muir**  
March 13, 1962 - December 3, 2010

My first friend. Forever missed.

They are not dead who live in the hearts they leave behind.

Love, Lynn

Do not stand at my grave and weep, I am not there, I do not sleep, I am a thousand winds that blow, I am the diamond glint on snow, I am the sunlight on ripened grain, I am the gentle autumn's rain. When you awaken in the morning hush, I am the swift uplifting rush.

Heavy are our hearts today, memory brings you back once more, to the time when you were with us, to the happy days of yore.

When there's a **WILL,** there is a **Way.**
