

Falcons make first league final

by Alex Tough

The Apple Autoglass Georgetown Falcons seniors made their first ever Peel-Halton soccer league final appearance just last Saturday. The opposition came from undefeated Malton, a strong, ball playing outfit. The first half belong to Falcons with some spirited play, almost classical in performance. No doubt the lads best start to a game all season. A Derek Oram goal gave Falcons the half time lead. They may well have been better not to have had a break as Malton regrouped to equalize and then lead. In the end a creditable display is going down 1-3. Regrettably, coach Dave Maloney was unable to be present due to illness. Coach is at home now resting and he would have been prouder of his squad had he seen them play their hearts out.

The Inter County league championship, first division, has gone to Ancient Mariners following a committee decision on the Gunners v Meteor match at the end of July. The clubs claimed an exhibition took place and Meteor 'claimed' the points for a default win. However, after a prolonged investigation the subcommittee did not agree and no points were awarded for this game. An appeal by Meteor was not upheld by the league general committee last Thursday. The end result of all the stamash is that Mariners win by one point from Meteor with Merseyside third.

The second division is won by Meadowvale with Eagles second and Hare & Hounds third. Blazers and Ajax finish second last and last in the first division respectively and face relegation to the second division next season. Meadowvale and Eagles are likely to be promoted to the first division.

In the meantime the league play-offs are into the semi-final stage. United and Mariners have already faced off in the first match. (Or, should have on Tuesday evening). PRPA play Meadowvale at Alcott at 8:45pm. This evening (23rd September) preceded by second division's PRPA v Eagles. The other second division match is at Syntex between Meadowvale and Hare & Hounds. The finals are set for Cedarvale on Saturday 26th at Cedarvale at 2pm for the second

division and 4pm for the first division. Meteor v Merseyside plays off at Syntex. Just a little reminder of the Canada v Jamaica game at Varsity on 1st November. George Baines has a number of slightly discounted tickets for the reserved centre field area. The game is a 1994 World Cup qualifying game and therefore an important one for Canada. The country needs all your support, and Toronto does not have a great supporting reputation for such games. St. John and Burnaby have a better record, so, let's show them up for a change.

Linda Donals of Draught Dodgers watches as a pitch misses low. Draught Dodgers were just one of a host of teams taking part in the Georgetown Ladies Powerpuff Baseball tournament, held this weekend at the Fairgrounds.
