Seniors for the Future

By Les Mellish
 Our society here in Canada is fortunate in that it has two beginnings every year; one in January after which on June 30. we all seem to collapse exhausted, recuperate over the summer, and start up again renewed after the Labour Day holiday in September.

So away we go again. The Georgetown & District Seniors Association held its first Board Meeting on September 21. and I wish to bring you briefly one or two highlights of the meeting.

As of August 31. the bank balance reported by Grant Greenaway is \$51,803.00. The Fund Raising Committee led by Siena Van Hoekelen has been active already in September and two events, catering the Senior Men's Luncheon Sept. 10th. in Holy Cross Parish Hall and conducting a bake Sale at the Fall Fair on Sept. 12th. and 13th., raised a further \$ 1,332 for the building fund.

For this the Association wishes to thank all who took part in these two events, giving their time and energy in the kitchen, serving tables, providing baked products, picking up and delivering, pricing, staffing the booth, etc., etc. Thank you all for your support and dedication.

Now we have another project underway, a joint raffle in cooperation with Acton Seniors.

The prizes, a 12 day trip for two to Hawaii (April to August 1993)

and a four day trip for two to Las Vegas, (January 7-August 26, 1993).

This to be drawn at the Civic Centre on New Years Eve (Midnight). Tickets only \$5.00 (Buy two and get one free).

Grant Greenaway is heading up the Georgetown committee for this project and he would like as many Seniors as possible to participate in selling tickets.

Please call him on 877-4466 and tell him you will sell a book of 15 tickets for your building fund. We hope all members of the Georgetown community will support the building of a Seniors

Recreation Centre by buying tickets for this raffle and a chance to spend a few days in Hawaii or Las Vegas for free next year.

On behalf of the Association I wish to thank all members who have made renewal donations for 1992.

Thank you for your confidence and encouragement. Will those who have yet to renew their support for a seniors centre in Georgetown please give their tax credited donation to any member of the Board of Directors or send it to Ross Bethel, Membership Chairman. Our address is Box 41, Georgetown, Ontario, L7G 4T1.

Real Estate as an Investment...

Q We had quite a bit of our savings in stock investments. We are now hesitant to gamble again. How secure is real estate as an investment?

A It's a well known fact that the real estate market does experience occasional high and low swings, but, over the long run, real estate is an extremely secure investment.

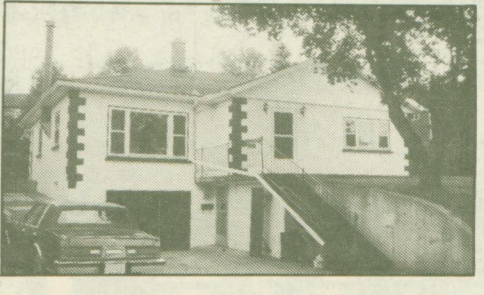

If you look at real estate as a straight investment you must calculate into your expenses the cost to put financing in place including survey and appraisal fees, the monthly amount of mortgage payments, insurance, property taxes and utilities, and of course any repairs or maintenance costs. When you decide to sell the property there are legal and real estate fees to be included in your investment expense.

When all the facts are considered objectively, you will find that over the long term in this community, real estate is a secure investment and offers an excellent return. For help in establishing specific figures on an individual property basis, contact a Realtor with background in real estate investment.

For more information on this series of articles or help with your own real estate needs, please call Don Hearn Sales Rep at the office 877-5165 or at home 853-4244.*
