

Principal's corner

Thanksgiving is the first significant juncture in our new school year.

For our hardworking cafeteria staff, under the watchful eye of manager Louise Melton, it means preparing over 500 full-course turkey dinner for staff and students. Profits from our cafeteria go to support the many co-curricular teams and clubs. Last year we raised \$25,000 for this purpose.

For our teachers and office staff, it means preparing and mailing

over 600 Sunshine Letters, Letters of Concern and preliminary Grade 9 report cards. This is our first formal written contact with parents. By now, parents of Grade 9 students should have signed their acknowledgment form and returned it to the school with their son or daughter.

This is also the time of year when we are putting the finishing touches on our commencement and awards assembly plans. Our award assemblies are opportunities for

students, staff and parents to celebrate the scholastic achievement of our student body. Over 200 students will be receiving Honor Role Certificates for earning an average of at least 80 per cent in their studies last year.

Our 105th commencement ceremony will be held in our gymnasium on Friday, Nov. 6. If you are a member of the graduating class of '92 and have not yet received your invitation, please call Mrs. Fishback at the school at 877-6966.

A plaque was presented last week to North Halton District Scouters in appreciation of their years of service to the Regional Triathlon, which includes a canoe race on the Credit River. Rick Parkhill, Blue Springs Ranger at Scout Reserve and a member of the Regional Triathlon Committee, handed over the plaque to Dennis White.
