

# Strange tales by captain comic

## Dear Captain Comic

We the Comic Junkies need your leadership, your wisdom, your intelligence, and your strength to guide us. Who will fight off the mutant delivery boys? Or what if the Evil Frag Beasts come back? Who will protect us from the super villains? Who will supply us with the newest and coolest comics? Without you and the Fourth Dimension, the Comic Junkies will be extinct.

No matter what happens all the infamous Comic Junkies are behind you 100%. You have the complete loyalty of the Comic Junkies.

It sounds like this battle will be very brutal. If you, the Super Heroic Captain Comic don't mind taking advice from one of your devoted Comic Junkies, why don't you get help from one of the many super heroes, like Wolverine, the Hulk, or even the Silver Surfer. With their help you are sure to defeat "Recession-man".

All the Comic Junkies in the world hope you prevail. Good luck Captain Comic.

## Signed - one of your Comic Junkies, Hao (Howie) Ma.

My fellow Comic Junkies, I certainly am moved by this display of loyalty and quite impressed as well. My special thanks to Howie and James (I know he probably helped you on this one). Thanks for your support.

As for the rest of my Comic Junkies, don't stop sending those letters. Without your support Captain Comic is nothing but scum on the bottom of a Frag Beast's foot. You get the message.

Let me tell you all one thing, Howie is right, the battle between myself and Recession-man is very

brutal. It would seem that he would be victorious had I not gained the support of you, the Comic Junkies. Recession-man has made some tough blows and may have won of the first of many battles yet he has not won the war!

Now pay close attention Comic Junkies, what I am about to tell you is top secret information and you all know what will happen if you tell your parents. Captain Comic must move the Fourth Dimension headquarters to a new secret location. This new location will house the Comic Junkie Headquarters for a few months until Captain Comic defeats the sinister Recession-man and can re-open in a safer location.

The new spot is going to be in the garage of 181 Delrex Blvd on the corner of Sargent and Delrex. As some of you already know, this was Captain Comic's original hide-out some years ago. It will be open on Saturdays from 10am-5pm. All the latest comics will be there as well as a great selection of back-stock. It will re-open on Saturday, October 25th. Be there for Captain Comic will offer some great sales and giveaways.

For all those entering the costume contest, it will still run on October 31st and Captain Comic will still appear along with side kick Garth the wonder dog and Ad-man.

Always remember and don't ever forget that Captain Comic will not fall prey to any old foe such as Recession-man. I will prevail triumphant and long live the Comic Junkies. This is Captain Comic from the new Fourth Dimension with another Strange Tale.

The new address is 181 Delrex Blvd.
