Trotting star Billyjojimbob returned to his winning force in the \$25,000 free for all last Sunday. Billyjojimbob, who disappointed his legion of followers when he went off stride in the Breeder's Crown championships Oct. 9 also at Mohawk, was never threatened in stopping the clock in 1:58 1/5 for Driver Paul MacDonnell. Ramerizi closed with her usual late kick to come in second, with Fax Machine finishing in

third. Now with 17 wins in 22 tries, Billyjojimbob's season earnings have surpassed \$490,000.

The four-year-old Worthy Bowl mare Lifetime Dream continues to impress on her climb up the conditioned trotting ranks. Dave Wall guided her to her seventh season victory in 16 starts Oct. 18 for Joe Dunsmore of Stratford, Ont., and co-owner/trainer George Elliott of Clinton, Ont. A winner twice this summer in 1:58 4/5, Lifetime Dream has amassed earnings of \$5,136 so far this season.

Successful golf program

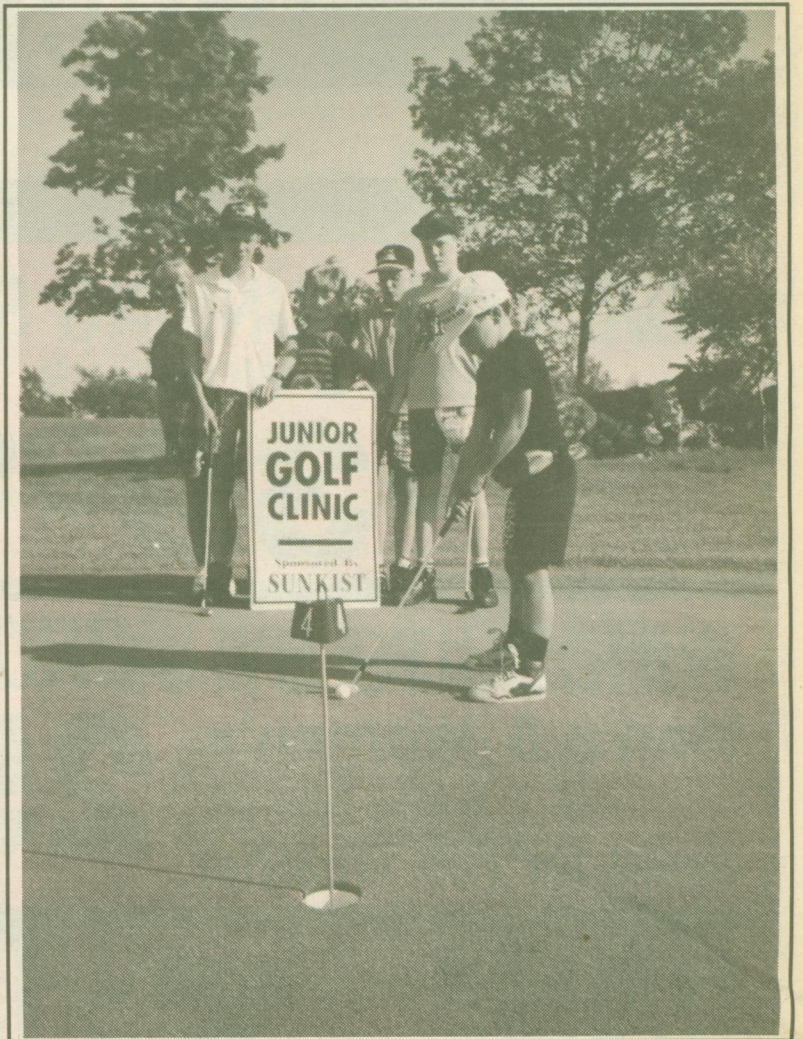

The teaching staff at Blue Springs Golf Club in Acton wishes to thank Sunkist for its sponsorship of the junior golf clinics this past summer.

The Saturday morning clinics, as well as the weekday morning golf leagues, were completely sold out. The Saturday morning sessions, which were held over a five-week period, included an hour of golf instruction as well as etiquette and

rules of play.

The weekday leagues included instruction, playing time and lunch.

With the help of Sunkist, the costs were kept to a minimum for junior golfers taking part in the summer clinics, as well as the league play. Youngsters wishing to participate next season should register at Blue Springs by phoning 853-0904.
