

Parent-aid with teens

Parent-Aid meets every second Wednesday of the month at 7:30 p.m. at Acton High School, teachers lounge. The next meeting is Nov. 11. Everyone is welcome.

Each meeting is informal with coffee and cakes. It is always open to discussion and offers support and stimulating conversation on how to deal with concerns when parenting teens. At this upcoming meeting Harvey Lemon, school social worker will offer ideas on "how to communicate to your teen."

Halton Creative Sewing Association members Shirley Lyons and Audrey Milward display a jacket made from a MacPhee pattern. A MacPhee Workshop Fashion Show (on tour from Edmonton) will be the feature of the sewing association's meeting at Georgetown high school Tuesday at 8 p.m.

Sewers meeting Tuesday

By Shirley Lyons

The next meeting of the Halton Creative Sewing Association will be Nov. 3 at 8 p.m. As in September, this will be held at our new location in the student cafeteria at Georgetown District High School.

Featured will be the MacPhee Workshop Fashion Spectacular. This Canadian company, based in Alberta, will be participating in the Full Fashion Show in Toronto Oct. 31 through Nov. 2. We are extremely fortunate that they will be stopping off in Georgetown for one night only before returning home.

This will be our special evening! Come and sew fashions being modeled, patterns for sale and more. They specialize in creative clothing for the Canadian climate. The company was founded by Linda and Harris MacPhee about 10 years ago and now have shops in major cities. They have instructors throughout Ontario one of whom is in Georgetown. Shirley Lyons can tell you all about their mail order business, multi-sized patterns (all under \$6), notions, furs for trim, materials and courses. Patterns of clothes being modeled and more will be for sale the night of the fashion show.

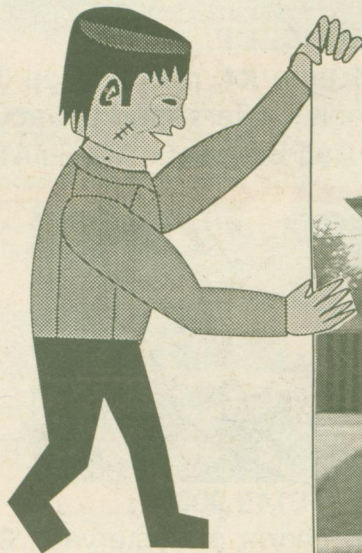

Look for children's sweats, mukluks, and more wonderfully creative ideas. Come out and become inspired. Admission is still only \$4 and remember our new location. For more information phone Shirley at (416) 877-5485 or Bonnie at (416) 873-2485.
