Strange Tales by Captain Comic

Well friends, another week, another article. Captain Comic would like to extend his gratitude to all those who showed up at the new location. The new store looks pretty good, don't you think? Speaking of the new store, I'll bet you guys would like it to be open more often wouldn't you? How about Thursday and Friday from 4pm til 7pm? This way you can get even more time buying those precious comics! We'll begin the new hours next week!

Notice: This is very important Comic Fans. The Fourth Dimension will be closed on Sunday,

November 8 until 6pm. We'll be open from 6 - 8pm due to a comic convention in Toronto. If anyone is interested in going, it is at the Masonic Temple, 888 Yonge Street. The hours are from 10am to 5pm. There will be tons and I mean tons of comics there. And if nothing else, I, Captain Comic, will be there. Reason enough.

Notice: This is also very important my Junkies. Tomorrow is the costume contest. It starts at 12 noon. Remember there are prizes to be won and the winners get their pictures in this paper so make them good!

Now on to business at hand. Some really cool comics are coming out in the next few weeks. One in particular is Silver Surfer #75. It has a silver foil embossed cover and a great story. As well, Iron Man #288 has a foil embossed cover. Executioners' song ends in November with X-Force #18. The repercussions of this issue will affect the mutant titles for a long, long time.

Doom 2099 is the third in the 2099 installments. It features a futuristic version of Doctor Doom and the cover is foil stamped. Keep a close eye on Venom in the future

because of his limited series due out in December/January. Any of Venom's appearances are sure to skyrocket because of this. Remember that you can sign up for mail order and I'll guarantee all comics you want plus delivery.

In the past I have asked you Junkies quite nicely to write in, tell me what you want, or just to say 'Hi' but no! Hardly any letters. Well, if you guys don't start sending in some fan mail, I'm going to have to cut you guys off! So please, pretty please, write some letters. I'd love to hear from you.

Well, that's it for this week

dudes. Stay in touch and read your comics. Don't forget about the contest tomorrow and remember: I want some fan mail!! This is Captain Comic from the Fourth Dimension with another Strange Tale.
