Halton Regional councillors burst into smiles and applause Wednesday when former regional councillor Bill Johnston (right) was presented with a host of praise and a few gifts. During his 13-years as a regional councillor Johnston often sparred with Regional Chairman Pete Pomeroy but the two old friends buried the hatchet as Pomeroy presented Johnston with a painting. The Milton councillor has been diagnosed with terminal cancer and is moving with his wife to British Columbia to be with his daughter.

Denture therapist

DENTURE INFORMATION

"How should I clean my dentures?" is one of the most common questions asked by denture wearers. With the vast variety of patented cleansers on the market, which one should a person use?

To keep your dentures clean and to avoid denture breath, you should clean them after every meal. They should be brushed, inside and out, using luke warm water and a mild soap, or a recommended denture cleanser.

As most denture breakage occurs while they are being cleaned, it is wise to brush them over a sink or basin full of water or over a dampened towel.

Either method will cushion the shock should you drop them.

REGULAR CHECKUPS

In addition to cleaning your dentures, you should brush your gums, palate and tongue with a soft bristle tooth brush and ordinary toothpaste. Follow these procedures after every meal and before going to sleep at night. This will eliminate any food particles and buildup, and promote a healthier mouth.

Last of all, and most importantly, be sure to have your dentures and oral tissue checked regularly. There is no charge for a consultation at our clinic.
