Gas bar robbed

Halton Regional Police are continuing their investigation of the Saturday evening robbery of a Georgetown gas bar.

At about 6:20 p.m. a lone male entered the kiosk at the Suny's Gas Bar on Guelph St. near Mill St.

The man demanded money from the 18-year-old attendant standing in the booth.

When the attendant froze, the suspect pushed him out of the way, opened the cash drawer and removed three \$20 bills that were under the change drawer, and then removed all of the \$5-bills from the till.

The suspect then fled north across the parking lot and into a ravine at the north end. The suspect escaped with about \$260.

The Halton Regional Police dog was called to the scene but was unable to track the suspect in the ravine, a police report said. The gas bar attendant was not injured in the robbery and police are continuing their investigation.

Guitars stolen

A pair of electric guitars and a collection of accessories were removed from Main St., Acton residence Friday night.

Police at 11 Division in Georgetown say someone entered the unlocked side door of the house and went into the basement.

Once in the basement, the suspect removed the guitars -- one a Gibson Les Paul, the other a D.C. Rich. The instruments -- worth an estimated \$1,500 were in their cases at the time of the theft. The culprit also removed a BOSS digital delay foot pedal and a quantity of cash that was laying on top of a bureau in the residence.
