HALTON HILLS SOUTH COMMUNITY CONSULTATION COMMITTEE

The Halton Hills South Community Consultation Committee is a group of citizens, and Halton Regional Police Officers who meet on a regular basis to identify community concerns and establish an effective joint response to eliminate the concerns.

The concerns addressed can range from something as simple as a parking problem, to something as complex as a series of Break and Enters.

Committee Mandate

The Halton Hills South Community Consultation Committee is established to:

- 1) Increase information sharing between the police and the community
- 2) Identify Community / Police concerns and initiate programs to overcome or eliminate them.
- 3) Alter the misconception that the police are inaccessible to the public.

The Halton Hills South Consultation Committee serves residents of rural Halton Hills who live south of 15 side road between the Town Line and Trafalgar Rd as well as residents who live south of 10th side road between Trafalgar Rd and Winston Churchill Blvd. IF YOU ARE INTERESTED IN BECOMING INVOLVED WITH THE COMMITTEE, OR HAVE A CONCERN YOU WOULD LIKE TO HAVE ADDRESSED, PLEASE CONTACT:
