

# Legion #4 captures dart victory

By Alex Tough

The "big" match of the week may well have been the O'Toole's/Legion #4 clash at O'Toole's.

The league leaders were looking to consolidate their position and the fourth place challengers were looking to move upwards. It was certainly a close match with Legion coming out on top by the smallest possible margin of two games, winning 8-6.

Shirley Penfold made her return for the home team in making her first appearance of the season, to the best of my knowledge. The opening teams games were split with O'Toole's taking the first two singles.

The next two were split and Legion took the next two to tie, the last two singles also being split. The opening doubles were another split before Legion made sure of the win with the last two doubles.

Meanwhile, second place McGibbon and third place George #2 made up some ground with 13-1 and 12-2 wins over Copper Kettle #1 and George #4, respectively. Legion #4 still have a convincing lead of ten points nevertheless. Legion #1 and #3 tussled with #1 winning 10-4 to move into fifth place, tied with Timeout #1.

Timeout defeated their #2 by 10-4. George #1 defeated George #3 by 8-5, both teams being short of a player. Finally, Legion #2 took out Copper Kettle #2 by 10-4.

Eddie Ebbinge/Stam Clarke lost their doubles to Frank DeSantis/Jim Long for McGibbon's only loss. Stan Rhynold and Glen Hillier shot 140 each. Barb Hope won her singles over Ed Belder with Neil Olmstead and Mike Hope firing 140. Karen Buckley and Monica Southon figured in singles and doubles wins. Keith Ewing went back to the lead in the high finish stakes

with a 136. June Norton defeated Ed Kouyoumjian in singles and Shirley Penfold featured in doubles points. Paul Kirby fired a maximum to go with two 140s.

Terry Hancock (2), Jim Charter and High Smid also fired 140s. Caroline Vallance had singles and doubles wins. Gord Yake and Colin Hicks fired 140 each. Greg Shearer won his singles with doubles support from Ian Cooper/Andrew Woolley. Self (2) and Ray Porter scored bonus points with 140s. Norm Peterson, otherwise Larry Varey, won his singles as did Joyce Marrows. 140s from Hank Van Gogh, Vic Lovell, Dan Dobreen, John Colter, Rob Marrows and Tony Marrows.

Industrial league leaders in the first division, Hustlers, came up against their bogey team for the season in Steeprock and lost 3-6 and deservedly so. Gasketman Cutters won 6-3 over High Rollers and are now tied at the top.

Westenders remain third, winning 5-4 over Panthers and by the same score, Acadian Pools defeated Inter County, although the sheet suggests County had a couple of stalwarts return to the fray and put up a better showing against Pools. The match had a pattern of County winning one set then losing the next two in a row, therefore the score should have been 6-3 for Pools. Both captains appear to have signed an incorrect game sheet!

Ron Scarlett and High Smid both had four starts and a finish. Smid's teammates were more of a help than Scarlett's for they helped to the win for Steeprock over Hustlers.

Bill McCartney and Ron Corbett each had three opens and McCartney had a close out of 102. Tim Field had five starts and two finishes. Six opens for Paul Kavanagh, Ray Ackroyd opened 116 and Brian Hicks shot 140. Chris Scutt opened four and Brian Ward started with 101.

First division game sheet details are poor these days, captains, one team had none at all, not even players names! (Maybe they did not play?)

Independents made a bright beginning against Ensigns in taking the first two sets.

Then, the match went 2-2 before Ensigns buckled down to take the

last three for the one point win. Roy Rudiger opened four, one of 101 and scored 133. Jim Franks had five starts, a finish and a 135.

The latter two named players always figure in team statistics with steady play. Aces and Bandits split the first two games and there the contest ended as Bandits managed only one more point.

John Burke had three starts and four finishes. Hal Hilts shot 120 (what happened to the other dart, Hal?) Neil Olmstead had four starts.

Three starts each for "Bubby" Rhynold and Eddie Ebbinge, Shawn X opened with 100. Four starts each for Bruce Capriol and Gary Griffiths.

Simon Entwistle had three opens and two closes with two 125s and 120. Bruce Capriol also shot a 174 high score.

Industrial league darts continue in the Legion with league play this Wednesday and move to the Oddfellows for the 23rd Alf Oates Memorial tourney for teams play. "Raves" in Norval are hosting a Sunday afternoon blind draw dou-

bles tourney from now on and I believe the start time is 1 p.m., making the registration time a little earlier, check with "Raves".

The Ed Paterson Memorial doubles tourney takes place in the George on 9 Jan., registration may be made early at the George, I understand. The proceeds of the tourney go to the Cancer Research fund.

No news from the Youth darts

this week except to note that the fun youth/adult doubles day is set for the George on Sunday, 20 Dec. at 12 noon.

The youths especially enjoy this set up and a good day is promised for all.

A future darter has arrived on the scene with Kim & Hugh Smid's latest arrival, a wee girl on Sunday, 6 Dec. at 11 a.m., both doing well!
