OJC moves to Greenwood

The horses will be "off and pacing" Friday at 7:30 p.m. for the first race as Ontario Jockey Club harness racing moves back to Greenwood for the winter meet.

Fans will enjoy \$1 General Admission and a Free Program on opening night, and intertrack wagering will be available at Woodbine, Mohawk, and Fort Erie.

Racing programs will operate five times a week - Mondays, Thursdays, and Fridays with a 7:30 p.m. post time, and Saturdays and Sundays with a 1:30 post time, through to Saturday, March 20, 1993.

For the first time, racing fans will view the harness races under the new stadium lighting system that was installed prior to the thoroughbred fall meet.

The lighting system, changed to reduce energy consumption and provide better conditions for horsemen and racing fans, was a joint venture between the Ontario Jockey Club and Ontario Hydro. The new fixtures will consume less than half the energy of the previous light standards.

There are a few changes in the racing schedule during the month of December.

There will be no racing on Christmas Eve (December 24) or Christmas Day (December 25), but racing will resume on Boxing Day (December 26) with Greenwood's annual \$1 General Admission sale and a 1:30 p.m. start.

The following week there will be a special matinee card on Monday, December 28 starting at 1:30 p.m. and no live harness racing again until Friday, January 1, 1993 at 1:30 p.m.

On this date the O.J.C. Harness Horsemen's Wives will host their annual Food Drive to benefit the Daily Bread Food Bank in Toronto.

People's Horse makes final start for the season

Commencing Friday, December 11 Greenwood will simulcast thoroughbred racing from Calder in Florida. Simulcast wagering is available throughout December with a 12:30 p.m. post time, except for December 14, 21 through 25, and 28 through 31. As well, there is racing on January 1 and 2, also with a 12:30 p.m. post time.

Wish Foundation Receives Greetings from OJC
The Trotting Ladies Charities

co-ordinated a Christmas Greetings Program whereby O.J.C. management, staff, and horsemen could videotape a holiday greeting in exchange for a donation to benefit The Children's Wish Foundation of Canada, Ontario chapter. The greetings will be played on the O.J.C.'s in-house T.V. system through to January 1.

A total of \$3,180 was raised from this project for The Children's Wish Foundation.

Patrons who donate a canned or non-perishable food item will receive \$1 General Admission.

The winter meet will feature numerous stakes series including The Horsemen's Series Trot in January, The Damsel Pacing Series in February, The Toronto Pacing Series in February, and The Cam Fella Pacing Series in March.

People's Horse Update

Shippo's Commander, The People's Horse made his final start for his Honorary Owners on Friday, December 4th and managed a solid third place effort for trainer-driver Tim Twaddle.

In total, Shippo's Commander paced his way to \$9,888 in earnings during the promotion. These monies will be shared by the Honorary Owners who attended all of Shippo's bid to host the 1996 Summer Olympic Games.

Ron Bertram Appointed VP of Marketing

Ron Bertram commenced his duties as Vice-President of Marketing on December 2nd.

Mr. Bertram, a Toronto native, joins the O.J.C. management team from a private marketing consulting practise and has over thirty years experience in marketing consulting. Prior to consulting, Mr. Bertram was Chief Operating Officer of Toronto's bid to host the 1996 Summer Olympic Games.
