

Truck hits car

Four people suffer cuts and bruises after this fully loaded gravel truck slammed into the rear of a Honda Civic Friday. The accident occurred at the intersection of 17 Sideroad and Sixth Line, just outside Georgetown. The Civic was eastbound and had stopped to make a left turn onto Sixth line when it was struck by the truck. Ambulance officers took the 16-year-old driver and three passengers, all 18 to hospital while firefighters dealt with leaking fuel from the truck. The roadway was closed for several hours before the wreck could be cleared. The accident is still under investigation. Photo by Scott Kline

 nity needs assessment and Phase Five is the strategic action plan. Phase Six is the final product, the master plan.

"We'll rely on the steering committee at each point during the study as a sounding board," Morgenstern said. "They'll help us to understand the community and to send information the other way."

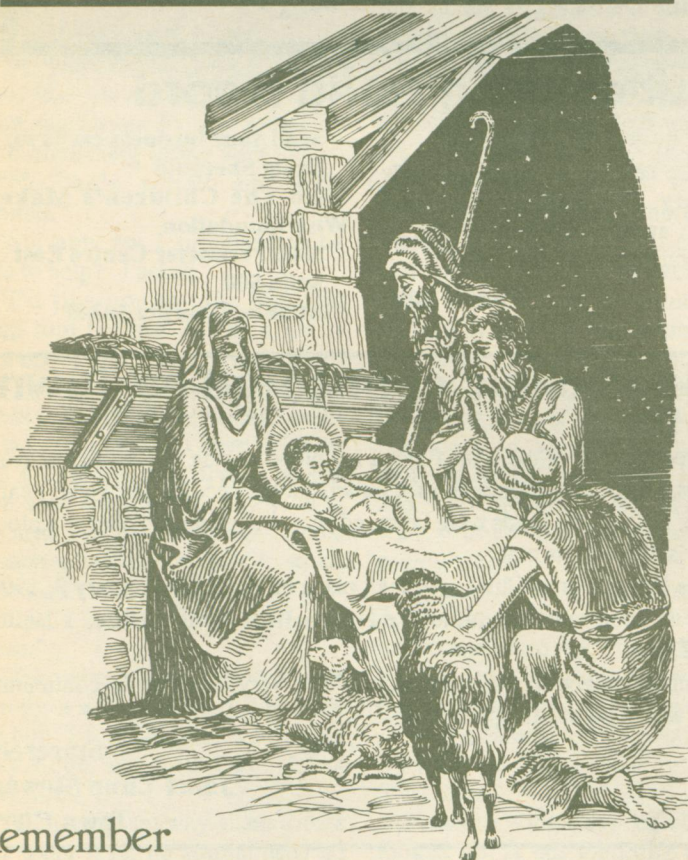

January has been proclaimed Recreation Awareness Month by town council. Residents are encouraged to participate in the community meetings "to address the cultural and recreational challenges of the future with vision and imagination."

The Acton meeting will be held Tuesday, Jan. 12 at the Acton High School Cafetorium. In Georgetown, it's Thursday, Jan. 14 at the Halton Hills Cultural Centre. Both meetings start at 7 p.m.

 Filling every heart and home with merriment and cheer.
 What better time for us to say, "Thanks to you in every way."
 May this Christmas holiday be the start of a great year."
