

Peace

No other word means so much, to so many throughout the world.

In the spirit of brotherhood we join people everywhere in praying for freedom from oppression and peace on earth.

A happy, joyous Noel to all.

Hospital Volunteer Association hands out its annual bursary

The Volunteer Association of Georgetown and District Memorial Hospital is pleased to announce that Heather Lovegrove is this year's recipient of a \$100 bursary.

Ms. Lovegrove, who is now studying at the University of Toronto, was a long-time member of the Association's Teenage Volunteer Program.

In presenting the award, Dorothy Bodnar, President of the Hospital Volunteer Association said, "Heather Lovegrove was an excellent choice for this year's bursary. She has spent many hours as a teenage volunteer at Georgetown Hospital, and has demonstrated a keen interest in the field of medicine. We thank her for her dedication, and wish her much success in her studies."

The Georgetown Hospital Volunteer Association is a 148-member strong organization which has been in operation for over 30 years. The Association provides a variety of services including operation of the Hospital's gift shop and gift cards, ward work, baby photography, hairdressing and flower arranging.

If you are interested in learning more about the Volunteer Association, please contact Betty West at 877-3866.
