

Bear-ly waiting to Lighten Up

Up, Up and Away owner, Trudy Thomas, was celebrating Lighten Up Canada Day a little bit early with her teddy bear friends, Jesse Sr., Jesse Jr. and Tyler, who had the balloons, well in paw.

The cross-Canada-be-Rudolph-for-a-day celebration will take place on Feb. 5 and Trudy has noses available for the event.

Bus drivers improve safety

For the second year in a row, GO Transit's bus drivers have significantly reduced the number of GO bus accidents.

During 1992, accidents involving GO buses dropped to 112 from the 160 recorded in 1991. Last year's 30% reduction follows a 27% improvement registered the year before that.

GO logs every accident, from a passenger falling on a bus in a sudden stop to a \$10 paint scrape to a major collision.

Significantly, the biggest improvement came in the preventable category.
