## ASSIC thanks more than 100 volunteers

On Jan. 22 we at Acton Social Services and Information Centre honored our many volunteers at the annual New Year Recognition Party.

Volunteers came out to the ASSIC office for hors d'oeuvres, dessert and a large helping of appreciation for all the work they have done within the community. Without them it would be difficult to offer our many programs to the citizens in Acton who need them.

Volunteers at ASSIC perform a variety of duties, their efforts are commendable, their contributions are invaluable.

We thank all our volunteers for the time, energy and caring they devote to assisting the community through ASSIC programs.

Acton Social Services and Information Centre relies on more than 100 caring volunteers.

A big thank you went to Brendan Adherne, Jane Adshead, Noreen Alton, Doug Anderson, Elizabeth Anderson, Rena Arbic, Carol Arendt, Andrew Asbil, Liz Bailey, Pearl Baker, Eric Balkind, Harry Besley, Alma Braida, Nino Braida, Penny Bristow, Lloyd Broostad, Janet Butler, Heather Cameron, Gail Cartwright, Marjorie Chase, Steve Clark, Lorna Clarke, Joanne Cooper, Allan Crawford, Barbara Crawford, Donna Cripps, Lily Dee, Fritz Dehaan, Harvey Dewhurst, Mary Dick, Lorne Doberthien, Helen Dubeau, Peter Dubeau, Mary Finlay, Bill Fitch, Ed Footit, Wes

## HALTON RESIDENTS: CHANGING WITH THE TIMES

**ON SCHEDULE** Remember, starting **February 1, 1993**, you will only have to take your Blue Box to the curb **once every two weeks**, on your regular garbage day. All Halton households should have received their new '93 Blue Box schedule by January 29. It shows the new collection weeks for your neighbourhood. For easy reference, post it in your home.

**ALL SET** If you haven't already, set aside the **5 new materials** that can also be recycled in your Blue Box as of February 1: fine paper; boxboard; aluminum foil; Styrofoam; and small-mouth plastic bottles.

### AT THE CURB

Put your Blue Box out at the curb by 7:30 a.m. on your collection day. It's especially important to prepare both old and new materials properly for pick-up. Your 1993 schedule has all the details.

Thanks to your efforts, Blue Box '93 will mean cost savings through more efficient collection...fuel efficiency through less frequent pick-up...and a healthier environment.

Laidlaw Waste Systems Limited is the new Blue Box Collection contractor in Halton Region. For questions about collection service, please call 1-800-561-1655.

## YOU ARE INVITED

To Attend a  
**PUBLIC INFORMATION CENTRE**

The Regional Municipality of Halton  
Class EA for Additional  
Waste Water Trunk Capacity

**WHAT:**

The Regional Municipality of Halton, Public Works Department, invites you to attend a Public Information Centre on the Class Environmental Assessment for Additional Waste Water Trunk Capacity to service Georgetown.

After a review of the alternatives, it has been identified that to serve the planned Georgetown community of 40,000 people, additional waste water trunk sewer capacity will be necessary.

We will present for your comments the evaluation of alternative ways of supplying this additional capacity as well as four alternative concepts for the trunk sewer locations, some of which include a new sewer in the Silver Creek & Black Creek Valley. **WE NEED TO HEAR YOUR CONCERNS** about these alternatives. There will be visual displays and staff to answer your questions.

**WHEN:**

Monday, February 1, 1993 from 4 p.m. to 9 p.m.

**WHERE:**

Town of Halton Hills, Civic Centre
