This chart represents the performance of Trimark Canadian Fund's 10 year average annual compound rate of return to January 31, 1993 of 12.4%. The latest 1, 3, 5, returns are 2.7%, 5.8%, and 10% respectively. All returns, audited by Ernst & Young, Chartered Accountants, are historical annual compounded total rates of return and reflect changes in unit value and distributions reinvested. They do not take into account sales charges or administrative fees payable by unitholders which would have reduced returns. Past performance does not guarantee future results. Your unit value and investment returns will fluctuate. Important information about any mutual fund is contained in its simplified prospectus. You can obtain one from Regal Capital Planners. Read your prospectus carefully before investing.

Police beat

Dog Watch

An intruder climbed a fence and entered a Winston Churchill Boulevard dog kennel during the early morning hours of Feb. 9 and released two German Shepherd dogs into a common area. The dogs began to fight and one sustained minor injuries during the incident. Police are investigating.

High school hit and run

A female Georgetown resident has been charged with failing to report an accident after the vehicle she was driving knocked a Georgetown District High School student to the ground on Friday, Feb. 5. Police reported the victim said she was standing in the high

school parking lot, with her back to the rear of a Dodge Caravan, when the vehicle reversed, knocking her over. She sustained soreness to her legs but no medical aid was required.
