**Your heart
may need it
back someday**

When your neighbour stops by this month to collect for the Heart and Stroke Foundation, we hope you'll consider a very special reason to give - your own heart. You see, one out of every four Canadians has some form of circulatory disease. So make an investment in your life and lives near and dear to you.

And remember, the more you give the more we can give back.

*Improving

Canada's
#1 Killer.*
