HEART AND STROKE FOUNDATION OF ONTARIO

**Do you know the warning signs of a stroke?**

The primary one is sudden, dramatic weakness or numbness of the face, arm and/or leg on one side of the body, which usually lasts for only a few minutes. Others include:

- temporary loss of speech, or trouble in speaking or understanding speech
- temporary dimness or loss of vision, particularly in one eye
- sudden, severe, unusual headaches, or a change in the pattern of headaches.

If you experience any of these problems, tell someone and call for emergency help. Know the telephone number of your local emergency medical care service and use it!

For more information on blood pressure or stroke, contact your local office of the Heart and Stroke Foundation of Ontario.
