

Roland and Janis Holley, Culligan's sales representatives for Halton Hills and surrounding area.

## Water treatment leader

*"Hey, Culligan Man!"*

Just say "Hey, Culligan Man" for fast, efficient and reliable service.

A world-wide company operating in 97 countries, Culligan was established in the United States in 1936, branched out to Canada in 1947 and has been providing water treatment service in Halton Hills and area since 1950.

Culligan offers three choices on

their products: purchase, lease-to-own or rent.

Culligan's equipment and parts for Canadian outlets are manufactured in Mississauga and with over 1400 branches in North America, a "Culligan Man" is never far away when needed.

Recognized as the world leader in water treatment, Culligan is a name that can be trusted by informed consumers.
