More of.. The Best of the British Isles

Enjoy a pint at the Sun Inn, take a tramride into life as it was in Northeast England between the two world wars at the Beamish Outdoor Museum. Winner of many prestigious awards, Beamish includes a segment of a typical market town, a railway station and transport collection, a colliery complete with coal miners' cottages and a drift mine which operated on the site from the 1850s until 1958. The Home Farm at Beamish has been in existence for at least 250 years. This unique collection of buildings from all over northeast England were painstakingly dismantled and reassembled in original condition at Beamish in 1970 and is still growing. It is truly a "hands-on" experience. As you walk along, you may smell bread baking in one of the cottages or hear Miss Florence Smith as she gives a painful piano or singing lesson at her Victorian home on Ravensworth Terrace. A visit to Beamish is just one of the many special inclusions on our **Best of the British Isles** tour departing August 6th. We'd be pleased to send you a brochure.
