

Georgetown Figure Skating Club held its annual Carnival last Saturday at Memorial Arena and its theme was Let the Dream Begin, a tribute to Andrew Lloyd Webber. From Starlight Express, performing A Lot of Locomotion were skaters Cindy Benner, Annelies Brand, April Brander, Mandi Brown, Ann Grant, Louise Hatton, Nadine Holmes, Miranda Jamieson, Terri Parker and Erin Scudder.

### Our mistake

In the Wednesday edition Sports section coverage of the Tyke Division in the GDMHA Day of Champions, we goofed badly. The star of the Gold game-winning Armstrong Insurance team was Derek Naylor, not Taylor as reported in the paper. DEREK NAYLOR scored three goals in leading Armstrong Insurance to the 5-2 win over J.V. Clothing. We regret the error.

### Development proposal

Continued from page 1 because it's their job," he said. "It's a different proposal, now, so it should start fresh," Councillor Marilyn Serjeantson, commented during discussions at town council. Serjeantson is chairman of the region's planning and public works committee.

## Fabric Care TIPS

~ Thirty-eighth of a Series ~

### SMART INVESTMENT PAYS DIVIDEND

Window treatments are an investment in time, money and creativity, so protect this investment by purchasing the right type of draperies for your needs and caring for them properly.

First, make a sound investment.

• Know what you're buying. Ask about the colorfastness, the suggested care process, its resistance to light and how this relates to the atmospheric conditions of your home.

• Consider purchasing lined draperies which have a longer life than unlined.

• If your draperies are custom-made, ask for preshrunk fabric, especially when installing floor-to-

ceiling draperies.

• Read the care label carefully. Look for stain resistant fabrics such as acrylic, modacrylic, polyester, nylon and glass fibres. Silk and sheer fabrics weaken much faster than heavier, tightly woven fabrics. Protect these fabrics by installing blinds or blockers on the window as well. Some draperies have special backing that insulates and reflects light well, but it may be difficult to clean.

• Clean your draperies at least once a year, and vacuum thoroughly between cleanings.

• If possible, rotate your draperies to vary light exposure. Sun can damage draperies, weakening textile fibres and fading colors.
