Burning restrictions

The Halton Hills Fire Department advises that open air burning within the municipality is restricted.

The Ontario Fire Code, Article 2.6.3.4. states, "Open air burning shall not be permitted unless approved, or unless such burning consists of a small confined fire, supervised at all times, and used to cook food on a grill or a barbecue."

In accordance with this Regulation made under the Fire Marshals Act, R.S.O.1980, Chapter 166, open air burning is not permitted unless approved by the Chief Fire Official.

Within the Town of Halton Hills approval is provided in written form only by the "Permit To Conduct Open Air Burning".

Permits are available at no cost through the Halton Hills Fire Department, Fire Prevention Division at 877-1133. Please allow a minimum of 48 hours for the inspection of the proposed burn site.

For more information on this and other fire safety issues please contact the Halton Hills Fire Department, Fire Prevention Division at 873-1133.
