**Great Britain;  
Great Value**

says Gareth James, Director for Canada for the British Tourist Authority. "Almost unnoticed, the Pound Sterling has depreciated substantially against the Canadian dollar by approximately 23%. Thus, at one stroke, Canadians holidaying in Britain are in for big savings this year. This means every meal, every pint of beer, every gallon of gas and every purchase at a shop is almost 25% cheaper in Canadian dollars than this time last year." If you are considering a trip to the U.K. this year, we recommend that you don't delay making your arrangements. The charter flights fill quickly. Our staff will be pleased to help you with tour information and other aspects of your holiday such as hotel reservations, car rentals, holiday homes, travel passes, Heritage passes which allow you to visit many places of interest at a substantial savings.

The Easter Bunny (Anne Curry) delighted 21-month-old Joel Waters when they met Saturday morning on Main St. in Georgetown. Ms. Curry has been entertaining youngsters at Easter for four years and Main St. Up, Up and Away store owner Trudy Thomas has donated the costume for the same length of time.
