98B Main Street
Downtown Georgetown

For children 12 years and under we are having a 'Mother's Day Contest'. Three Mother's Day gift baskets to be won. Full details on entry posters available in downtown stores.

The dates for this year's Pioneer Days are June 17, 18 & 19. The theme, 'Downtown Georgetown Salutes the Wild West'.

Our committee for this event is very busy working on some really great ideas and are planning for a weekend packed with something for everyone. If your non-profit group would like to participate in Pioneer Days, contact the committee chair, Loree Calhoun at 873-9162.

Two great shows are being presented at the John Elliott Theatre this month.

Private lives (April 21, 22, 23, 24.) and A Breath Of Scotland (April 26.).

Some information about parking downtown:

All parking is 'free' after 6:00 pm Monday - Saturday, all day Sunday and, all day every day in December.

All on-street meters have a 2 hour parking limit.

The money collected from the parking meters is used toward the maintenance, upkeep, snow removal and land leases for 'free' municipal parking lots in all areas of the town.

Provincial legislation requires, in part, that parking fees collected by the town be directed toward town parking facilities.

Watch next month's column for more information about Downtown.

If you have any comments/suggestions about Downtown Georgetown, please don't hesitate to contact our B.I.A. office at 873-4970.

Don't forget...
