

Scarlett comes close - surprises in playoff action

By Alex Tough

At the Legion finals in London, Ron Scarlett represented himself and the area quite well, yet not well enough in the end. Not winning sufficient matches to see him through to triumph. However, Ron acquitted himself not too badly, and at least made the final stages. Each year there seems to be another hurdle made and we make another stage. Next year, perhaps?

Back home, the Industrial League playoffs continue and the first week tossed up a little surprise in results. The first division has the top four teams with ten points, Hustlers, Westenders, Steeprock and Gasketman Cutters. Second division is led by, who else? Dream

Team with 10 points and are one point behind.

Bandits are five and five, by virtue of a no-show win over Hot Shots, who also defaulted their second match. Bandits lie fourth for the moment. Independents hold second place and Firemen are third.

The high start of the night was 120 from Shawn Warwick. Teammate Stan Rhynold opened with 101 for fourth highest. Jim Franks fired 116, Russ Hillier notched 112 and Ken Gritten almost made 100, scoring 99 to open. The only finish over 100 came from a delighted Mike Finn who closed out 116 amid great excitement around him.

The high score of the week is

140. Ian McDonald and Bubby Rhynold both scored two and Ron Scarlett and Russ Hillier each scored one. Al Murphy fired 138, Roy Rudiger 133 and Ray See 132.

In the opening match, Hustlers struggled against Westenders and only scraped through by one point. By the same score, Steeprock defeated Gasketman Cutters who were "skunked" in the first set. Acadian Pools came out fighting to win 5-2 over High Rollers and Panthers defeated Inter County 4-3. In the second set of the doubleheaders, Gasketman came back to take out Inter County 7-0 and by the

same score, Westenders won over Acadian. Steeprock and Hustlers both won 6-1 over Panthers and High Rollers respectively.

In the second division, Hotshots defaulted both matches and have a long way to catch up to the leaders, Dream Team, which won by the maximum score of 5-0 twice. Independents had a good start with 5-0 and 4-1 wins. Ensigns defeated Taxmen 4-1 before dropping a result to Dream Team.

Next month, former World Professional champion, Dennis Priestly, once the Eric Bristow pro-

tegy, is making an appearance in the area. The George & Dragon is likely to be one of the venues for his show, which I am assured is a good one. I hope to have more details in the column of date and ticket prices later, so keep watch.

The Legion is organizing a summer darts league on Mondays and a list is available in the main bar for those to enter their name and standard of play. Again, more details later as items unfold.

In the meantime, battle away for playoff bragging rights. See you!!

The Georgetown District High School Rebels track team finished in fifth place this past week-end at the Bluevale Beatrice Relays in Kitchener that featured some strong individual performances.
