

The tennis courts are now open at Acton's Prospect Park and Steve Turkosz, a member of the Acton High School Redmen tennis team, works on his stroke. Turkosz was the '92 Halton boys singles champion and hopes to repeat this year. The school's tournament, a qualifier for the Halton's, is scheduled for May 10.

## Watts leads lady Rebels

Georgetown District High School girls soccer Rebels ran circles around Burlington Central in soccer action Wednesday, trouncing Central 6-0, led by Melissa Watts.

Watts netted a hat-trick with Sharon Shapcott scoring twice and Kate Blyth adding a single.

The Rebels were in control from the outset constantly putting pressure on the Central netminder throughout the game which led to a commanding 3-0 lead at the half.

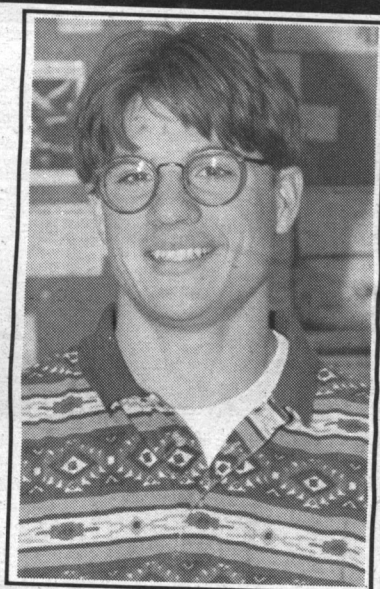

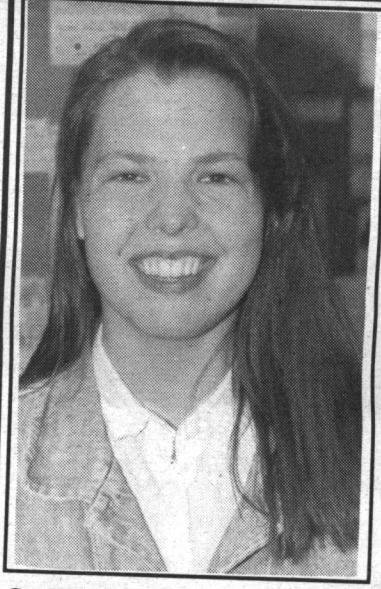

It continued into the second half with little threat of scoring from Central. The Rebels added three in the second half and played solid defense for the win.

After two games the Rebels are 1-0-1 and more impressively, have not allowed a goal in those two games.
