## Redmen offense disappears

By Ellen Piehl

The one question the Acton High Redmen senior girls soccer team may have been asking themselves after Monday's home game was "What happened to our offense?", as they were defeated 6-1 by Lester B. Pearson High School of Burlington.

The Redmen's offense appeared to be strong during the first minute of the game. They even got a shot on net, but shortly thereafter, their offensive and defensive play began to deteriorate very quickly.

Pearson opened the scoring mid-way through the first half with a shot that went over Redmen goaltender, Cari Chard's head and into the net. Shortly after that, Pearson got a lot of spark from their offense and scored two more goals to lead 3-0 at the end of the half.

Things didn't get any better for the Redmen in the second half. Chard had to be pulled from the game due to an injury, but prior to that, though, Pearson scored two goals within minutes of each other to take a commanding lead of 5-0.

The Redmen finally got on the scoreboard mid-way through the half when Janisse Bailey kicked the ball into the left-hand corner of the net.

Pearson then scored one more goal to capture the victory.
