

# Jim Bailey gets recognition

By Betty Sojka

Recognition for all his volunteer work has come to Jim Bailey in the form of a commemorative medal and a certificate. Presented to him at the Wellington County council chambers, Jim was among 26 Wellington residents from a total of 3,987 total Ontario residents to receive the medal marking the 125th anniversary of Canada.

Each recipient had been nominated by members of parliament, legislature, and municipal councils. Wellington MPP Ted Arnott who presented the medals said "It is these people who give of their time and for that we are very deeply grateful".

Jim has sat on the Hall Board for a number of years, actively involved in the rec committee. He has been a driving force in developing the park, and has campaigned to fund this endeavor. He has coached the Ballinafad ladies baseball team leading them to many championships over the years. During the winter months, Jim spends a lot of time mending things at the community centre whether it be a cupboard door or chair. In the summer months you can see him often at the park doing the necessary tasks to upkeep it. Congratulations, Jim!

## Ballinafad News

May 1 was Achievement Day for the Sewing and Explore 4-H Clubs. Both groups traveled to Mississauga to the Britannica School Farm for the day. There was over 100 in attendance. It made for a very interesting day as the 4-H members were divided into groups. Ballinafad's 4-H clubs were in one group that studied soil, and even performed a soil test for nitrogen.

Other groups watched sheep being sheared, and saw how wool was dried. At the end of the day, a speaker from each group spoke on what their group had learned. That's it for 4-H now until the fall when a new session will start up.

The annual spring concert at Erin High School begins 7:30 p.m. Thursday (tomorrow). There is a lot of local talent to be seen either singing in the school choir or playing in the band.

Don't forget to attend the Wednesday (tonight) Hall Board meeting. It begins at 7:30 p.m. at the community centre. The primary topics will be lighting for the baseball diamond and fencing by the soccer pitch.

The Jim Dandies started off their season last week with a win. Playing against 4 seasons, each team had their one bad inning that allowed the runs. The rest of the innings went quickly as each team played well. Marion Lumbers pounded a ball deep outfield for a triple that brought in three runs. The ladies play next on Tuesday, May 11 at Acton's Prospect Park.
