Help grant a wish today

Most children are granted a lifetime to realize their dreams; The Children's Wish Foundation is for those who may never have the chance.

To help make their dreams come true, First Choice Haircutters, 1 Mountainview Road N., Georgetown, will hold a cutathon May 29 to June 5. They will donate \$1 per customer serviced to the local Children's Wish Foundation of Canada.

The goal of the Wish Foundation is to provide the once in a lifetime joy of having a wish come true, for a child suffering from a high risk life-threatening illness. When we undertake to fulfill a child's wish, we attempt to provide a brief escape from the harsh realities of their lives. We offer a positive distraction for both the children and the family ... a little happiness.

The wishes are as individual as the children who make them. A request for a computer, a desire to meet a famous celebrity, or a longing to travel to a special place; whatever the wish, we will do our utmost to make it come true. In

some instances, the foundation is given only a day or a week to complete the arrangements. We take pride in the dedication of our efforts to meet the needs of each special situation. The standard of personal care and attention devoted to each wish sets this foundation apart from other similar organizations.

When the quantity of life is restricted, then the quality of that life becomes the prime concern. We strive to restore a little time for togetherness, and much needed laughter, to the lives of these children. When a family loses a child they often treasure the moments of happiness shared during the wish. They retain fond memories, which may help to sustain them in their sorrow.

The success of our goals may be measured in the deeply moving letters we have received from many of the children and parents, after the completion of the wish. The greatest reward for our efforts remains in the glowing face of a child, as he boards the flight that will carry him to his dream come true.

The staff at First Choice Haircutters, 1 Mountainview Rd N. in Georgetown, are ready and waiting for customers to participate in their Cutathon May 29 to June 5. \$1 per haircut will be donated to the Children's Wish Foundation of Canada.
