

The Ladies Division of the North Halton Golf and Country Club got the season off May 2, on a sunny but windy day that saw 95 members take to the links. Ladies Division president Penny Monckton looked to be needing two pair of shoes to tour the course. photo submitted

Acton girls still on track

Four athletes from Acton High School advanced to the southwestern Ontario Regionals to be staged today (Wednesday) at McMaster University, after qualifying at the Golden Horseshoe Athletic Conference track and field championships held last Thursday.

Amanda Bonnell, Jenny Goy, Heather Trotter and Trisha Denny will compete after finishing in the top five in their respective events.

Bonnell qualified in the midget girls 400-metres placing first with a time of 61.2 seconds and the girls 200-metres with a 27.9 second-place time. Bonnell just missed qualifying for the midget high jump taking sixth.

Epilogue to a Son
Laid to rest
no more to be
His attraction to matches
ended his curiosity

A Match is a Tool

Children must be taught the proper function and safe use of matches and fire. Teach your children that the match is a tool and has a specific purpose, such as lighting candles, starting a campfire or lighting a fire in a fireplace. For older children, parents should agree to let their children strike matches and use fire when appropriate, but only in the presence of a parent or responsible adult under safe conditions. Fire has an important and necessary role in our lives. The earlier a person learns the proper and safe use of fire, the less likely there will be a desire to "play" with matches and fire.
