

# Duignan's meeting request ignored

Halton North MPP Noel Duignan did not show up Monday evening to explain the expenditure control plan and social contract but sent a letter instead, stating he would be "pleased to meet with a small delegation at his Milton office."

"I personally find his unwillingness to meet with this council an affront," stated councillor Norm Elliot. "It appears there's something behind this." Councillor Pam Johnston added that Duignan's request for Halton Hills council members to travel to Milton, when Duignan lives in Georgetown, is "ridiculous." Councillors decided to ignore Duignan's request.

## Halton Hills dumped-on by Peel

Town councillors protested a compensation subcommittee report, issued by the Peel Regional Consultation Network on proposed dump sites, at Monday's general council meeting.

Three landfill sites, which are being considered in Peel Region, are particularly close to the boundary of Halton Hills. Two sites are located between Mayfield Rd., Winston Churchill Blvd., and the CN tracks, and another is on the corner of Highway 7 and Mississauga Rd.

Councillors were protesting compensation principle 2.3.2., which states that "no compensation or royalties in lieu of or as part of impacted resident compensation from the compensation fund shall be paid to area municipalities. (e.g. Caledon, Brampton)."

Councillor Marilyn Serjeantson stated that Halton Hills should be considered for compensation because it is so close to the sites, but its residents would not be allowed to benefit from the facilities.

Mayor Russ Miller agreed with Serjeantson, but admitted "there's every indication that Halton Hills will not be given consideration." He nevertheless promised to look into the issue.

## Preservation policy

A motion was introduced by councillors Marilyn Serjeantson and Ron Chatten to develop a policy

## Council Briefs

regarding the feasibility of saving woodlots threatened by development. This motion was influenced by the development of Halton Hills Village Homes Inc., which will result in the destruction of a woodlot. Toby Barwick, speaking at the May 17 general council meeting, promised to plant 75 trees on community owned lands, as well as one on each lot. Serjeantson insisted that

if woodlots were to be cut down, financial compensation should be offered to the town.

Councillor Gail Rutherford agreed to the preservation of the lots, but added, "the thrust of this policy should be preservation, not getting money. The trees should be incorporated into the design of the development."

Town staff was instructed to study the issue and report back to council at a later date.

## Assess child's development free

Concerned about your baby or child's development?

Free consultations will provide parents with a quick response as to how well their children are developing. This simple testing will help find any areas of concern for your preschooler in the areas of thinking and reasoning, movement, communication skills, and social/emotional development.

Join a representative from the Developmental Early Intervention Program in Milton on June 1 at

The Cherish Parent-Child Centre from 9:30-11:30 a.m. or in Acton at The Acton Parent-Child Resource Centre on Thursday, June 3 from 9:30-11:30 a.m. No appointments are needed, just show up with your infants, toddlers or preschool children. For more information, contact either Parent-Child Centre or call Lin at Acton Social Services and Information Centre at 853-3310. We are located at 19 Willow Street North, Acton.

## Fabric Care TIPS

~ Forty fifth of a Series ~

### THE MOTHS ARE COMIN'!

Don't let them put the bite on you! Every year moths eat their way through thousands of dollars worth of improperly stored furs and winter garments. If you plan to store your warm and wooly fashions at home, we offer these professional tips.

drycleaned. Dirt and food stains are invitations to insects.

2. Before storing clothes in a wooden chest, wrap them in white tissue to avoid excessive creasing.

3. Store all items in a cool, well ventilated

area.

4. Furs should be stored on well padded hangers in a cool, dark place.

1. Never store any garment before having it
