

So...I'm selling my house and I find these Re/Max agents outsell their competition 3 to 1

Hi!

3 to 1?

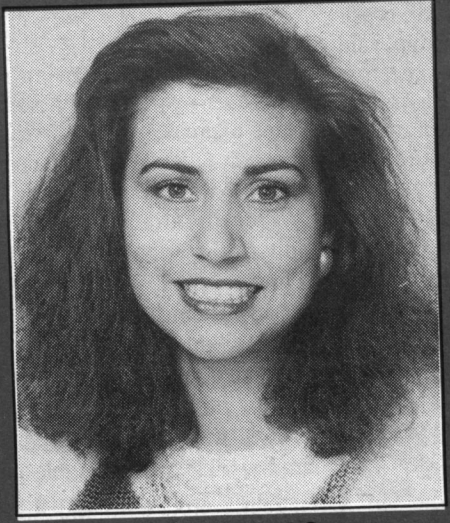

That means by the time some other agent sells one house, a Re/Max agent like Angie could sell my house and my neighbours Frank and Thelma's houses too!

This Re/Max agent could sell the entire neighbourhood before the competition could sell my street

She could sell the whole town, stop for lunch, have a sandwich, pick up the dry cleaning, and sell the whole province before the other guy got out of the 'burbs

Think about it... 3 to 1

It boggles the mind!
