

# Doors open at Agricultural Museum

Located along Ontario's Highway 401 corridor and nestled beneath the beautiful Niagara Escarpment at Milton is one of Ontario's unique attractions waiting to be discovered. On June 5, the Ontario Agricultural Museum will open its gates for its 15th season offering visitors a variety of activities and events not to be missed!

A showplace for Ontario's agriculture and food industry, the 80-acre site boasts over 30 buildings and displays highlighting the evolution of rural and farm life. Plenty of open green spaces, colorful gardens, crops and livestock complemented by friendly staff will ensure that your day in the country is an enjoyable one.

An "udderly awesome" new event involves our "Dairy Days", June 9 to 13. Discovery centres, interactive displays, milking demonstrations and lots of free samples will exemplify the many marvelous milk products we enjoy daily.

Other events on this year's roster include such favorites as "Seniors' Days" - June 21 to 25, "Country Quilt Fest" - August 6 to 15, "Fall Festival of Food" - September 12, and our 10th Annual "Christmas Craft Fair" - September 25 and 26.

Mark the Ontario Agricultural Museum on your summer outing calendar today! Open daily 10 to 5 p.m. until September 26th, we're easy to find along Highway 401 at Milton, take exit 312 or 320 north and follow the signs. Modest admission fees apply, including group and family rates. Our site also features a "Country" style restaurant, Gift Shop and plenty of free parking.

A complete line-up of the Museum's events and activities is available by contacting the Promotions and Public Relations Department: Ontario Agricultural Museum, 144 Town Line Road, Milton, Ontario L9T 2Y3.
