

# Country Folk Art Show set for this weekend

The Country Folk Art Show and Sale takes place Friday, Saturday and Sunday in the Automotive Building at Exhibition Place in Toronto.

This Country Folk Art Show has been nationally recognized as the leading folk art show in North America. This high caliber show will be coming with folk artisans from all across the country bringing their outstanding quality handcrafted reproductions and country heirlooms of the future. This show will have a great variety of handmade country accessories and collectibles to decorate the country home.

The Folk Art Show brings together an endless array of treasures to delight anyone's taste. The Country theme is a look that represents a homespun, warm, handmade and comfortable ambiance. Some of the wonderful folk art items for sale will include quilts and wall

hangings, Appalachian style baskets, splint and willow baskets, Shaker furniture and Shaker boxes, grapevine wreaths and herbal arrangements, whirligigs, weather-vanes, theorems, frakturs, rag rugs, teddy bears, scherenschnitte, country signs, decoys, dummy boards, wood carvings, spongeware, redware, calligraphy, cut and pierced lamp shades, stenciled lampshades, cabinets, dry sinks, settles, water benches, chimney cupboards, children's furniture, country clocks, fireboards, salt-glazed stoneware and countless other great folk art forms.

Folk Art is forever gaining in popularity and to meet the demand there will be over 150 folk artisans from across the country bringing literally thousands of handmade folk art treasures for sale. Each and every one of the artisans have been juried and hand-selected for their

outstanding workmanship and integrity of creative design.

When our Colonies were being settled, most everything was hand-

made and so history seems to be repeating itself and once again there is a surge of interest in handmade items and historical reproductions.
