

Tasty picnic in Guelph

By Betty Sojka

Playing against the Marauders, the Jim Dandies came up with another win last week. Right up to the end of the 3rd inning, both teams were neck and neck with a 3-2 score. Vera Longstreet put some space between the numbers with a home run that also brought in two other players. Vera's home run seemed to change the tide for the Jim Dandies. Not only did they bat well, but Marion Lumber's pitching caused problems for the Marauders.

She Pitched hard and fast, catching all the corners.

Other baseball news includes Carol McTear of Mississauga being the lucky winner of the Marauders 50-50 draw. Carol is now \$241.50 richer thanks to buying a ticket from Chris Stewart.

Mother nature provided a lovely day for the women's Institute's June meeting. Held on June 2, this was the last meeting until September as the group adjourns for the summer.

As per usual, this last meeting consisted of a day outing. Nine members, two visitors and two children loaded into assorted cars, for a beautiful scenic country drive. Their destination was the Fergus Museum. Here, a tasty picnic lunch was held on the grounds of the museum. Everyone brought a delicious selection of sandwiches, pickles, or finger foods such as celery. The dessert committee topped off the meal with a sumptuous variety of cookies, tarts, squares, etc.

A very casual meeting was held. Ada Kirkwood gave the current

events. Margaret Jamieson, Doreen Burt, Eleanor McLean, Reggie Slessoraitis, and Grace McEnery reported to the group of the happenings at the District Annual Women's Institute meeting, held May 27 at Brookville Hall. A number of upcoming activities were cited in their reports.

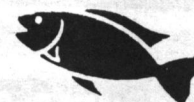

There will be a District Day at the Milton Agricultural Museum on June 26 and Dairy Days at the Museum will run June 10 through to 12. As well, there will be a quilt display there in August.

New programs that outline the subjects of discussion for the upcoming year's meeting were handed out to the members. After the meeting, the ladies toured the embroidery display. They were amazed at some of the work done by the local embroidery guild. Much of it had been done by machines using silk threads on silk. Gold threads were starting in some of the designs. The group arrived back home around 4:30 p.m.
