

Charity golf's longest day

On June 15, the Cancer Society will be holding the 2nd "Longest Day of Gold at North Halton Golf Club.

The local foursome this year is Marilyn Medlock, Christine Carter, Chris Nye and Greg Sinclair. They will be golfing all day trying to complete as many holes as possible, competing against a foursome from Georgetown Golf Club. When you see the cart with the yellow balloons, please let them play through you.

Please give this team your support by pledging an amount per hole or a specific amount for the day. Pledge sheets are in the Pro shop. Last year the local team golfed 108 holes, raising \$1,000 for the Cancer Society. Members and friends support is greatly appreciated. Go team, go!

Both goals for the Halton Hills Blue team were scored by centre Jenny Goy. A confident Streetsville/Meadowvale team was back on May 27 to play Halton Hills Green team and despite a strong first half, were unable to score.
