Canada Products

NATURALLY
upper Canada

The natural extracts and essences in Naturally Upper Canada are drawn from the original botanical herbs, using the European Cold Process.

This superior method captures and preserves the goodness of the active ingredients from the natural plant. The essential benefits are more fully retained and passed on to you in all our products.

- * Aloe Vera
- * Chamomile
- * Cucumber
- * Honey & Oatmeal
- * Primrose & Clover
- * Sea Kelp
