buddies - the children are sure to enjoy this! While they sit astride "Billy" (a wooden horse) his buddies (real cowboys) will teach them the art of roping which was used in the old west. Sounds like a lot of fun!

Country & Western singer Steve McTavish will be here to entertain you on Thursday and Friday evenings (7:00 pm - 9:00 pm). Steve has been performing professionally since 1989 and his engagements have taken him across Canada as well as to parts of the United States. Last year, competing in Nashville, he won the award for "The Most Promising Upcoming Country & Western Singer". Bring your friends and family downtown and help us give this young man with the resonant voice a good old fashioned Georgetown welcome.

Seniors' Wild West Workout - Enjoy a 1/2 hour of movement to popular country music. Thursday 2:00 pm and 3:00 pm.

The excitement is building - there's talk of 'Wild West' costumes - food - games - sales - entertainment etc. etc. etc....

From all of us in Downtown Georgetown "Please join us for a Wild West time at Pioneer Days".

P.S. During Pioneer Days Main Street South between Church Street and James Street is closed to traffic. In the interest of safety, we remind cyclists that bicycles must be walked through this pedestrian area.
