**Riverside Spa serves
community fitness needs**

Fitness is located only minutes away when you take advantage of the Riverside Spa facilities in Georgetown. Having two locations, one downtown on James St. and the other in Norval, the Riverside Spa can better service the community with their fitness needs. Some of the facilities offered are:

- 15,000 lbs. of free weights
- indoor/outdoor pools
- tennis
- volleyball
- aqua aerobics
- hot tubs and saunas
- nature trails

....and much more.

The energetic staff are highly qualified to advise you and answer your questions about fitness training, health and nutrition. Personal fitness programs are available with all levels of aerobics to choose from.

The Riverside Spa offers memberships at the best rate and value with satisfaction guaranteed. The staff of Riverside Spas invite everyone to visit either of their locations during Pioneer Days to check out the facilities and great savings available.
