Bantam girls tournament

By Wendi Goodhew
 The Bantam Girls Tourney is scheduled for the Glen this Friday and Saturday. The tournament promises to show you some great ball teams. Involved are: Caledon East, two Georgetown Kinsmen Girls Softball League teams, Brookville, Limehouse, Glen, Hillsburg and North Bay.
Pee Wee Boys 9, Puslinch 11
 Thursday night coaches Rob Clarke and Chris Goodhew took their boys to Puslinch which proved to be an exciting game.
 One run separated the two teams throughout the game until the last inning when Puslinch hit a long, hard drive into left field, giving them the two-run advantage.
 The Glen held them there but time ran out.
 Joey Goodhew had a strong game going 4 for 4, including a home run and a hit to first and three stolen bases to make it home on a single.

Devon Legate tested the fielders each time at bat and beat them for a great home run. Devon has had some great hits this year.
 Bob Davidson and Kevin Humenski went 2 for 3 at bat this game. Mike Crawford caught a good shot to field and tossed it in to Kevin on first for a double play.
 Puslinch was robbed of a home run when they failed to touch home plate and Jesse Ward grabbed the ball and touched home plate.
 The Glen had their chances throughout the game but just couldn't get it together.
 The boys will be back looking for a win off Puslinch next game. I hope Puslinch is ready!

Eagles soar to 5-0

By Mike Zrostek
 You take a win any way you can get them and that goes for the Georgetown Stanley Acme Track Midget Eagles, who squeezed their way to a 6-5 win over the Brampton Braves Thursday in Central Ontario Baseball Association play.
 With the Eagles up 4-3 and the bases loaded, Eagles manager Boyd Hoddinott called a suicide squeeze that worked to perfection. Not one but two runs scored thanks to some smart thinking on the base paths as runners from second and third both scored.
 The runs proved to be important as the Braves got two of their own

but it wasn't enough as the Eagles hung on to win, thanks to timely hitting, solid defense and sound pitching.
 "All four pitchers (Jose Mora, Don McLeod, Paul Ingram and Grahame Kennedy) pitched great. Doug Sheppard had a hot bat and the defense had an improved game. I'm really surprised we're undefeated. The key is the defense is improving," said Hoddinott.
 The Eagles have a big game Thursday (tomorrow) that will test the Eagles streak as they face another undefeated team in Burlington. Game time is at 7:30 at the Fairgrounds at Diamond A.

Fernandez's return questioned

By Rod Beaumont
 Last Friday, Blue Jays traded for a shortstop but their reasoning leaves one wondering. They trade Derek Bell because of an attitude problem in the spring for Darren Jackson, then trade Jackson (who is not as good as expected but still a team player) for none other than Tony Fernandez, another attitude. Mr. Fernandez's numbers are much lower than a Bell and it kind of makes you go Hmmm.
 With hockey finally over we were blessed with the PC Convention instead of the Tiger/Jays series. With CBC broadcasting, I was waiting for Coaches Corner or a Harry Neale insight into the floor's activities. After all, these two features have been accused of being "full of it" and would have fit in well with the proceedings.
 Federal funding has been cut from the sports programs involving our world and Olympic teams and I have to wonder why. This past year, our teams fared well at the world championships in track, skating, skiing and curling to give us a banner year and something to be proud of. A funding cut means these programs will not be able to carry as many athletes and could prove detrimental. I suggest we cut MP salaries and lay off the dead weight thus generating more capital to be spread and sports cutbacks won't be necessary. It's time

Rodent's Racket

the top dogs start to feel the recessionary crunch instead of just the average guy on the street.
 My apologies to the Highland Games, but I just don't get it, and I wish someone would enlighten me on the significance of some of the events. How does throwing a telephone pole farther than the next guy rate as a sport unless you work for Bell Canada? What's the big deal about carrying a heavy object with a handle for a specific distance? I do this regularly at the cottage, but wouldn't consider myself Highland Game material. My event is carrying a large box full of ice and cool beverages down a hill to the horseshoe pits, a challenge for any cottager! Hmmm, come to think about it, I am applauded for my actions and safe arrival.
 But seriously, I would appreciate a letter explaining the events and their significance, thus enlightening myself and others so the Games can be fully appreciated by all.
 Do you have a topic for discussion or an opinion on the past week in sports? Write me care of Halton Hills This Week, 232 Guelph St., Georgetown or phone 873-2254. If it makes me go Hmmm, I'll include it in my column.
